

VXR

AGILE. POWERFUL. SERIOUSLY FUN.

The championship platform that has won every normally-aspirated national racing title since its introduction. Delivers the largest displacement in the industry, advanced driver-focused technologies and aggressive styling. Lightweight, nimble and fun to ride, the VXR offers the best competition-level value on the water.

Race -proven performance that outperforms the competition.

Drivers switch from forward to neutral to reverse with one pull of the throttle resulting in easier deceleration, reversing and docking.

Textured and bolstered for grip and comfort when charging into turns.

Ergonomically designed to make it easier to reboard after a swim.

NanoXcel® hull delivers an impressive power-to-weight ratio, agile ride and leading fuel efficiency.
